PROFILE

International communications professional with experience in climate, sustainability and international development, combining strong writing, research, stakeholder engagement and knowledge-management skills.

PROFESSIONAL EXPERIENCE

Global Green Growth Institute (GGGI) – Seoul, South Korea **Sept. 2024 – Jan. 2025**
Communications Intern – Climate Action & Inclusive Development

- Supported communications activities for the Climate Action & Inclusive Development team, translating complex climate and development topics into clear institutional messaging.
- Drafted and edited written content for international audiences, including a policy-based institutional brochure and a news article highlighting organisational activities.
- Produced written, visual and digital content aligned with institutional objectives, branding and audience needs.
- Supported communications and event activities surrounding **COP29 and GGGWeek** within a multicultural international organisation.
- Organised and maintained internal communications resources through **SharePoint**, supporting knowledge management and accessibility of team information.

PSCORE – People for Successful COrean REunification – Seoul, South Korea **Apr. 2023 – Oct. 2023**
Advocacy & Research Intern – Human Rights

- Drafted press releases, advocacy content and digital communications on North Korean human rights and geopolitical issues for international audiences.
- Conducted research and monitored international developments and media coverage, synthesising complex information into concise written outputs.
- Researched and prepared background information supporting advocacy, outreach and international awareness activities.
- Produced written and visual content for digital platforms.

COMMUNICATIONS & ADVOCACY EXPERIENCE

Amnesty Assas – Student Branch of Amnesty International France **Jan. 2026 – Present**
Communications Officer

- Developed digital communications, advocacy messaging and event promotion for human rights campaigns, coordinating communications with partner associations.

Printemps Solidaire – Non-Profit Organisation – Lille, France **Sept. 2022 – Apr. 2023**
Head of Solidarity Department / Events Team Member

- Developed communications and outreach materials, organised awareness events and coordinated partnerships with humanitarian organisations including the French Red Cross.

EDUCATION

Université Paris Panthéon-Assas – Paris, France **Sept. 2025 – Present**
CRFPA Preparation – Advanced legal research, analytical reasoning, information synthesis and structured written argumentation.
